NOTE : This is a classic paddle turn. The amount of turn will vary depending on the length of your stride, but the total amount of turn should not exceed 3/4 right. The body will have a torque or twist to it as you execute the turn. Remember to turn the right toe out each time you step with it.

Hi!

I have attached my original step sheet and song for "Cajun Mambo Walk" the other song that was suggested is "Volcano" by Jimmy Buffet - my dance was done to this before any others and was used when the Jim Yeomans track couldn't be found. I hope this helps.
